

The processes improved under the "Research and Development" heading at our institute are listed below				
No	Improvement Date	Subject	Improvement Area	Score
1	7.08.2024	Enstitü Kurulunun 08.08.2022 tarihli ve 08 sayılı oturumunda alınan 3 nolu Criteria for individuals with a PhD degree who are not employed by our university to teach courses at our Institute, as decided in the Institute Council meeting on 08.08.2022 (Session No: 08, Decision No: 3)	A.1.3. Institutional transformation capacity C.2.1. Research competencies and development C.3.2. Evaluation of faculty/researcher performance	4
2	23.07.2024	New courses to be added to the Architecture Department Course Catalog - 546-551-635	C.1.1. Management of research processes C.2.1. Research competencies and development	4
3	12.08.2024	New course to be added to the Electrical and Computer Engineering Department Course Catalog - 643	C.1.1. Management of research processes C.2.1. Research competencies and development	4
4	12.08.2024	New course to be added to the Industrial Engineering Department Course Catalog - 576	C.1.1. Management of research processes C.2.1. Research competencies and development	4
5	12.08.2024	New course to be added to the Bioengineering Department Course Catalog - 559	C.1.1. Management of research processes C.2.1. Research competencies and development	4
6	17.09.2024	Update of Program Information and Course Plan for the Bioengineering Department	C.1.1. Management of research processes C.2.1. Research competencies and development	4
7	17.09.2024	Update of Program Information and Course Plan for the Sustainable Urban Infrastructure Engineering Department	C.1.1. Management of research processes C.2.1. Research competencies and development	4
8	12.08.2024	New course to be added to the Electrical and Computer Engineering Department Course Catalog - 642	C.1.1. Management of research processes C.2.1. Research competencies and development	4
9	01.10.2024	Update of Program Information and Course Plan for the Electrical and Computer Engineering Department	C.1.1. Management of research processes C.2.1. Research competencies and development	4
10	18.10.2024	Graduate quotas, application and admission requirements	C.1.3. PhD programs and postdoctoral opportunities	3
11	26.11.2024	New Student Advising – Opening of 5XX-6XX coded courses for advising purposes	C.1.1. Management of research processes C.2.1. Research competencies and development	4
12	03.12.2024	Monitoring and evaluation activity to determine the internationalization rate in graduate studies	C.1.1. Management of research processes C.2.1. Research competencies and development	4
13	24.12.2024	Creation of Civil Engineering Program Information and Course Plan	C.1.1. Management of research processes C.2.1. Research competencies and development	4
