

Student Quotas for Graduate Programs Spring Semester, Academic Year 2025–2026				
Department		MSc Quota	PhD Quota	Special Conditions and Explanations
Electrical and Computer Engineering	T.C./ International	50	30	Graduates of Computer Eng., Control and Computer Eng., Electronics Eng., Electronics and Communication Eng., Electrical and Electronics Eng., Biomedical Eng., Mechatronics Eng., Physics Eng., Industrial Eng., Physics, Data Science, or other related fields.
	Transfer	5	5	
Industrial Engineering	T.C./ International	10	-*	Graduates of Civil Eng., Environmental Eng., Geological Eng., Computer Eng., Industrial Eng., Systems Eng., Business Eng., Industrial and Systems Eng., Electrical and Electronics Eng., Electrical Eng., Electronics Eng., Chemical Eng., Mechanical Eng., Mining Eng., Architecture, Data Science, or other related fields.
	Transfer	5	-*	
Materials Science and Mechanical Engineering	T.C./ International	-	10	Graduates of Chemistry, Chemistry Education, Chemical Eng., Materials Science and Eng., Metallurgy and Materials Eng., Polymer Eng., Physics, Physics Education, Physics Eng., Food Eng., Environmental Eng., Mechanical Eng., Mechatronics Eng., Aeronautical Eng., Aerospace Eng., Civil Eng., BioEng., Biology, Molecular Biology and Genetics, Data Science, or other related fields.
	Transfer	-	5	
Advanced Materials and Nanotechnology	T.C./ International	10	-	Graduates of Chemistry, Chemistry Education, Chemical Eng., Materials Science and Eng., Metallurgy and Materials Eng., Polymer Eng., Physics, Physics Education, Physics Eng., Food Eng., Environmental Eng., Mechanical Eng., Mechatronics Eng., Aeronautical Eng., Aerospace Eng., Civil Eng., BioEng., Biology, Molecular Biology and Genetics, Data Science, or other related fields.
	Transfer	5	-	
Bioengineering	T.C./ International	15	15	Graduates of BioEng., Molecular Biology and Genetics, Biology, Biochemistry, Chemistry, Genetics and BioEng., Genetic Eng., Biomedical Eng., Chemical Eng., Food Eng., Biology Education, Biotechnology, Data Science, or other related fields.
	Transfer	5	5	
Architecture	T.C./ International	10	4	Graduates of Architecture, Eng., Natural Sciences, Social and Human Sciences, Data Science, or design-related fields.
	Transfer	1	-	
Sustainable Urban Infrastructure Engineering	T.C./ International	10	-	Graduates of Civil Eng., Environmental Eng., Geological Eng., Geomatics (Surveying/Mapping) Eng., Computer Eng., Industrial Eng., Electrical and Electronics Eng., Electrical Eng., Electronics Eng., Energy Eng., Chemical Eng., Metallurgy and Materials Eng., Mechanical Eng., Mining Eng., Architecture, Urban and Regional Planning, Data Science, or other related fields.
	Transfer	5	-	
Policy Analytics in Global Issues	T.C./ International	-**	-	Graduates of Architecture, Eng., Eng. and Natural Sciences, Social and Human Sciences, Design, or other related fields.
	Transfer	-**	-	
Civil Engineering	T.C./ International	-	5	Applicants must have a Master's degree in Civil Eng., Sustainable Urban Infrastructure Eng., Data Science, or Architecture.
	Transfer	-	5	
Mechanical Engineering	T.C./ International	25	-	Graduates of Mechanical Eng., Mechatronics Eng., Aeronautical Eng., Aerospace Eng., Automotive Eng., Electrical and Electronics Eng., Computer Eng., Civil Eng., BioEng., Manufacturing Eng., Materials Science and Eng., Metallurgy and Materials Eng., Energy Systems Eng., Polymer Eng., Chemistry, Chemical Eng., Physics, Physics Eng., Food Eng., Environmental Eng., Data Science, or other related fields.
	Transfer	5	-	

* Since the minimum academic requirements for the relevant Department could not be met, no quota is available for graduate student admissions.

** In accordance with the Graduate School Board Decision dated 09/08/2023 and numbered 04/7, student admissions to the relevant Department have been suspended, therefore no graduate admission quota is available.

*** In line with the Council of Higher Education's (YÖK) directive dated 28.07.2025 and numbered 49392, regarding the allocation of additional quotas for the spouses and children of martyrs and veterans, one (1) additional quota has been granted to the graduate programs of our Graduate School Departments
