

The processes improved under the "Research and Development" heading at our institute are listed below				
No	Improvement Date	Subject	Improvement Area	Score
1	25.03.2025	Determination of Book Chapter for Res. Asst. Merve Şansaçar	C.2.1. Research competencies and development C.3.2. Evaluation of faculty/researcher performance	4
2	03.01.2025	Admission of Students to Civil Engineering PhD Program	C.1.3. PhD programs and postdoctoral opportunities	4
3	16.01.2025	Courses to be added to the course catalog - BENG 629-630-631, ECE 591-648-656-664, SIE 544-556	C.1.1. Management of research processes C.2.1. Research competencies and development	4
4	23.01.2025	Courses to be added to the course catalog - BENG 633, CE 600-610-611-640-641-642-643-660...	C.1.1. Management of research processes C.2.1. Research competencies and development	4
5	04.02.2025	Course to be added to the course catalog - BENG 628	C.1.1. Management of research processes C.2.1. Research competencies and development	4
6	27.02.2025	Amendment of Article 4, Paragraph (1) of the Thesis Originality Report Directive	C.1.1. Management of research processes C.2.1. Research competencies and development	4
7	25.03.2025	Graduate quotas, application and admission requirements	C.1.3. PhD programs and postdoctoral opportunities	4
8	14.04.2025	Establishment of Master's Program in Mechanical Engineering	C.1.1. Management of research processes	4
