

AGU Institute of Science Department of Architecture
MSc in Architecture

Code	ARCH 501
Name	Studio 1
Hour per week	4 (3 + 1)
Credit	4
ECTS	8
Level/Year	Graduate / Master
Semester	Fall
Type	Compulsory
Prerequisites	-
Content	Studio intends to focus on (re)production of the space, in the context of and architectural artifact, to explore its contradictions in daily life in an interdisciplinary context. Studio also emphasizes on identity, role of the society/culture and interactions of the place, and sustainability to understand the life and social and cross-cultural interactions over the use of the space. It develops alternative ways of examining, criticizing and interpreting the architectures.
