IMPORTANT

(1) Regarding actions and procedures on foreigners, Directorate General of Migration Management does not work with third natural persons and/or legal persons. However, recently, the number of false documents in residence permit applications submitted to Provincial Directorate of Migration Management has increased and it has been determined that those applications are mostly made by persons or companies working for a certain fee. Please, make your residence permit applications in person and do not rely on third natural persons or legal persons.

(2) In addition, legal action will be taken in accordance with Article 206 of Turkish Penal Code No. 5237 on foreigners who have made a false statement while applying for residence permit. In addition to this, their residence permit applications will be refused, their residence permit will be cancelled if it has been issued and removal procedures will be initiated for them. It is highly announced to those concerned.
