AGU is a newly founded institution and aims to be one of the leading research universities in Turkey. The medium of instruction at AGU is in English. While it is a state institution, with the concomitant benefits of prestige and stability, AGU's legal status affords it the right to private financial support. With the backing of the AGU Foundation, AGU has the means to bring together distinguished academics and promising students (both national and international) to produce cutting-edge research and ensure highly effective teaching and learning. Having a strong community of international faculty and students within a rich multicultural atmosphere is an integral part of the University's vision.

We are currently seeking to hire particularly entrepreneur-spirited academicians who are enthusiastic about their teaching and research while at the same time providing a bridge between the business sector and higher education.

Applicants for these positions should submit a cover letter, curriculum vitae including a list of publications, a statement of their research agenda and teaching philosophy, and the names, phone numbers and email addresses of three references. Application materials should be

converted into a single PDF file and e-mailed to Prof. Dr. Cengiz Yilmaz, Vice Rector of Abdullah Gul University, at cengiz.yilmaz@agu.edu.tr. These positions are open to all qualified academics from all around the world without regard to race, age, gender, religion, color, national origin, or physical disability. All applications will be considered and treated confidentially. Applications will be reviewed immediately and continue until all positions are filled.
